

## Standard Color Chart for

# MIRACOTE®

## MiraTop UCS • Cementitious Polyurethane

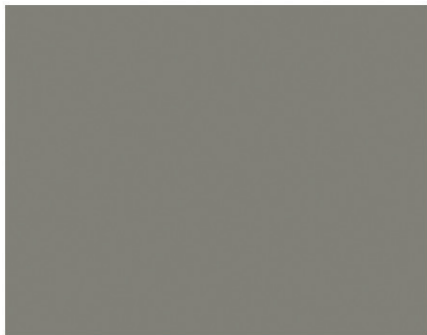

**413 SPEEDWAY GRAY**

**304 SANDPIPER BEIGE**

**700 POWDER BLUE**

**431 BRIGHT GRAY**

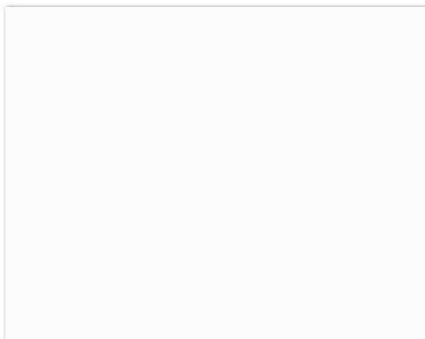

**624 RED**

**701 ROYAL BLUE**

**402 DARK GRAY**

**0110 WHITE**

**410 GRAPHITE**

**ALSO AVAILABLE IN BLACK, WHITE, SAFETY RED AND SAFETY YELLOW.**

Printed color charts approximate actual manufactured color. Approval of the actual color should be based on the submittal of physical wet samples, mock-ups and/or draw down cards. The final cured color of any cementitious material installed in the field may vary in appearance due to lighting, surface texture, application methods and fluctuating rates of evaporation during application.
