DFS-B-01

DFS-B-10

DFS-B-89

DFS-B-04

DFS-B-06

DFS-B-08

For previous DFS blends, please contact your local representative for availability, pricing, and production lead times. Printed colors approximate actual color. Actual color should be approved based upon actual samples or draw downs of the selected color and material sample. Final color appearance is affected by lighting, surface texture, profile, method of application and sealer selection.
